AVIATION SAFETY REPORTING

MAIN AIRCRAFT INFORMATION

Aircraft description

Propulsion type	Aircraft category		
Number of engines	Landing gear type		
Mass group	Maximum t/o mass	kg	
Rotorcraft mass group	Wake turb. category		

Flight details

	Country	Operator name	Other (specify)	
Operator				Call sign
Operation type				Flight number
Flight phase	Occ. on ground			Persons on board
	Country	ICAO code	Other (specifiy)	
Last departure point				
Planned destination				

Operational information

	Speed and altitude	Aircraft altitude	ft	Speed (first event)	kt
		Aircraft flight level		Type of airspeed	
	Flight Plan	Current traffic type		Current flight rules	
	Approach	Instrument appr type			

Flight crew information

Flight Crew 1

Category	License type		License issued by	
Experience this a/c	Hour(s)	Duty last 24 hours	Hour(s)	Validity
Experience all a/c	Hour(s)	Rest before duty	Hour(s)	Ratings

Flight Crew 2

Category	License type		License issued by	
Experience this a/c	Hour(s)	Duty last 24 hours	Hour(s)	Validity
Experience all a/c	Hour(s)	Rest before duty	Hour(s)	Ratings
